Claire E. Jones

Signature Talk: The Three Pillars of Business Success

(~20 minutes)

Learn why Sustainable Schedules, Marketing Strategies, and Processes & Systems are vital to business success. Audience members will walk away with actionable insights and new strategies to use to grow their businesses without burning out.

Additional Expertise: The Four Facets of Empowered Leadership

(~20 minutes)

Learn strategies for improving leadership effectiveness by taking into account the physiology of the body and the mind. NeuroLeadership practices can help individuals in a social environment make decisions and solve problems, regulate their emotions, collaborate with & influence others, and facilitate change.
